

As supported by the State of Bavaria China Office, SEN-CONSULT presented itself at the 17th China International Fair for Investment & Trade (CIFIT 2013) from the 8th to 11th of September.

The WTO-backed event attracted 670 overseas delegations from some 100 countries and organized a series of relevant forums and conferences, among which SEN-CONSULT was invited to participate at the 6th China-Germany Economic Cooperation Conference. During the conference, Mr Peter Thomas Reichenbach, the China office leader of ZDH, exchanged views on issues of common interests with the representative of SEN-CONSULT.

Known as the world's largest investment exposition, the CIFIT has been an annual event in Xiamen since 1997.
