

Commissioned by Bureau of Commerce (BOFCOM) of Shinan District, Qingdao, QGSC together with SEN-DESIGN team accomplished the press design as well as the English content translation and correction for a newly published official brochure.

The brochure, named as SHINAN - THE HEART OF QINGDAO, is the new bilingual version aiming at the general introduction and international promotion for the investment environment in Shinan district of Qingdao city. " We trust the classic and international taste of QGSC. Their long-term commitment to Qingdao economy as well as their cross-cultural knowledge on Sino-European business was already convinced to make our brochure well tailored for investors," said Mr William Wang, the Vice Director of BOFCOM Shinan. Both sides agreed to maintain and extend mutual cooperations in future.
